

Candidate Information Bulletin State of New Jersey

Fire Alarm, Burglar Alarm and Locksmith Candidate Examinations

The State of New Jersey, Department of Law and Public Safety, Division of Consumer Affairs, requires everyone engaged in burglar alarm, fire alarm and locksmith businesses to be licensed, one requirement of which is to pass a licensing examination. The State contracted with Prometric to conduct its exam program.

At a glance

Follow these main steps if you are interested in obtaining a Fire Alarm, Burglar Alarm or Locksmith license in the State of New Jersey.

To obtain your license

- 1 Apply to the State of New Jersey to take the necessary exams, which includes passing a criminal history review.
- 2 Once you receive your approval to test letter from the State, contact Prometric to pay for your exam and to schedule an appointment to take it. (See Page 2)
- 3 Prepare for the exam using the content outlines in this bulletin. (See Page 8)
- 4 Once you pass your exam, you will receive an Interim License Letter and instructions on how to obtain your Photo-Identification License from Prometric. (See Page 8)

Key

-  Overview information
-  Important note

Overview of the exam process

To be eligible to take a burglar alarm, fire alarm or locksmith business license exam, you must meet qualifications established by the State of New Jersey, Office of the Attorney General, Department of Law and Public Safety.

Specific qualification requirements for each license type can be found on the State's Web site at www.njconsumeraffairs.gov/fbl.

Generally, you must:

- Satisfactorily complete a criminal history review; then
- Pass all sections of the licensing exam. (You must be approved by the State prior to taking any exams.)

Criminal history review

All applicants for a license issued by the Fire Alarm, Burglar Alarm and Locksmith Advisory Committee are required to submit to a criminal history background check.

You will need to complete a Certification and Authorization form and return the form with the license application to the State. The form must be fully completed, executed and signed in the presence of a notary public. The Committee will then provide you with instructions on how to obtain electronic fingerprints. Once your fingerprints are submitted to the Criminal History Review Unit, a full review will be performed and you will be notified as to your eligibility to be licensed.

Licensing exam sections

For each business line in which you wish to obtain a license, your exam will include three sections: business and law, trade-specific (Fire, Burglar or Locksmith), and electronic security. If you are taking an exam for the first time, you will be required to take all three sections on the same day.

If you do not receive a passing score on all three exam sections the first time you take the exam, you will have two more attempts to pass the remaining sections based on the following timelines:

- **Second Attempt:** Retake the failed exam sections within 24 months of your original testing date.
- **Third Attempt:** You must wait six months following the second exam date before you can retake any remaining exam sections for the third time.

Important If you fail to obtain a passing score on all three exam sections within three attempts, you will forfeit all passing scores received on any previous exam attempts and will be required to retake all three exam sections.

Unsupervised Employee exams

Unsupervised Employee exams are listed below.

- Unsupervised Employee – Fire Alarm
- Unsupervised Employee – Burglar Alarm
- Unsupervised Employee – Locksmith

Note There are no limits established on the number of times candidates may take these exams or on the length of time between retakes.

Registering and scheduling your exam

After you receive your approval to test letter from the State, you must contact Prometric to:

- 1 Register for the exams you need to take.
- 2 Pay the exam fees.
- 3 Schedule an appointment to take your exams.

Note If you are taking these exams for the first time, you must take all three sections of the exam on the same day.

Confidentiality. Be assured that Prometric treats your Social Security number as **confidential**. It is used only as an identification number in maintaining your record and reporting your grades to the Fire Alarm, Burglar Alarm and Locksmith Committee.

By law, you are not required to disclose your Social Security number, and you have the right to prohibit its use as an identifier for your records. If you elect not to disclose your Social Security number, please enclose a separate letter with your exam registration form to inform Prometric of your decision. Prometric will issue you an identification number. You must then use this identification number when applying for your license.

Accommodations. If you require ADA accommodation, see “Special consideration” on Page 5 before registering.

Holidays. Testing generally does not occur on the following holidays:

- New Year’s Day
- Martin Luther King Jr. Day
- Presidents’ Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

Additional state holidays may be observed in the state where you schedule your exam appointment.

Testing centers. Prometric provides computerized exams through its multistate network of testing centers. You may test at any Prometric testing center across the United States. A list of testing centers located in New Jersey can be found online at www.prometric.com/newjersey.

To register and schedule an exam online

Register and schedule your exam online at any time using the following steps.

- 1 Access www.prometric.com/newjersey.
- 2 Under Construction, click on **Burglar/Fire Alarm/Locksmith License Exams**.
- 3 Click on **Schedule your test** and follow the prompts.

By phone—a one-step process

You may register and schedule your examination by calling 800.813.6549 between 8 a.m. and 9 p.m. (Eastern time), Monday through Friday. Please have your exam registration form and your Visa or MasterCard information available. At the end of the call, you will be given a number confirming your appointment. Record and keep this confirmation number for your records.

By fax or mail—a two-step process

You can register by fax or mail in two steps: (1) register and pay your exam fee and (2) schedule your exam appointment by phone.

You may fax your completed exam registration form (Page 13) to Prometric at 800.347.9242. You must include the Visa or MasterCard number and the cardholder’s signature on the fax. Faxed registrations are processed within 24 hours, or one business day, of receipt.

You may mail your completed exam registration form (Page 13) and the appropriate exam fee (\$85). Assume four to eight days for delivery of mailed registrations and then 48 hours for processing.

Once your registration has been processed, you can schedule an appointment by calling 800.813.6549. Please record and retain the number confirming your appointment.

Registration fee, expiration, and refund policy

The basic registration fee for each exam is \$85. If you are taking more than one exam, fees for all exams may be included in one payment. MasterCard, Visa, money order, company check and cashier’s check are accepted forms of payment.

Personal checks and cash are not accepted.

Note Exam registration and scheduling **fees are not refundable or transferable**, and the resulting registrations **expire in 90 days**. We recommend that you do not register for your exam until you are prepared to take it.

Rescheduling an exam

To avoid a rescheduling fee, you must contact Prometric at least **three full business days** before the day of your scheduled appointment. **Before you reschedule your exam**, refer to the following table to determine the **last day** you may reschedule without paying a \$40 rescheduling fee.

Last day to reschedule with no fee

If your exam is on:	Call by 9 p.m. (Eastern time) the previous:
Monday	Tuesday
Tuesday	Wednesday
Wednesday	Thursday
Thursday	Friday
Friday	Monday

Note that this schedule **does not** include holidays. Since holidays are not business days, they do not count against the three days (call earlier).

If you do not allow at least three full business days to reschedule your appointment, you must pay a \$40 rescheduling fee before choosing another appointment. To pay this fee by Visa or MasterCard and reschedule your appointment, call Prometric at 800.813.6549. You may also pay the rescheduling fee by mailing a cashier’s check, company check, money order or Visa or MasterCard information to Prometric.

If absent or late for your appointment

If you miss your appointment or arrive late and are not allowed to test, you must pay a \$40 rescheduling fee before choosing another appointment. This fee will allow you to use your original exam registration.

If you are unable to attend your scheduled exam due to illness or emergency, call Prometric. Under certain circumstances, the fee to reschedule may be waived. Prometric reserves the right to request documentation to support any illness or emergency claim.

Emergency closings

Severe weather or an emergency could require canceling scheduled exams. If this occurs, Prometric will attempt to contact you by phone or e-mail; however, you may check for testing site closures by calling Prometric. If the site is closed, your exam will be rescheduled without a rescheduling fee.

If a testing center is open for testing and you choose not to appear for your appointment, you must pay a \$40 rescheduling fee. You must then reschedule your exam.

Retaking an exam

If you do not pass the exam, you must re-register using another exam registration form and schedule another examination appointment by following the procedures above. Another exam registration fee is required.

Special consideration

ADA accommodation. If you require testing accommodations under the Americans with Disabilities Act (ADA), please call Prometric at 888.226.9406 to obtain an accommodation request form. Reasonable testing accommodations are provided to allow candidates with documented disabilities recognized under the ADA an opportunity to demonstrate their skills and knowledge.

Submit professional documentation of your disability with your form to help us determine the necessary testing arrangements. Thirty days’ advance notice is required for all special testing arrangements. There is no additional charge for these accommodations.

ESL note. If English is your second language, please note that a language barrier is not considered a disability.

Taking the exam

Your exam will be given by computer at a Prometric testing center. You do not need any computer experience or typing skill to take your exam. Before you start the exam, you will receive a personalized introduction to the testing system. You can also take an introductory lesson on the computer.

Arrival. You should arrive at least **30 minutes before** your scheduled exam appointment. This allows time for you to sign in and for staff to verify your identification and documentation.

Approval letter. You must bring the approval to test letter you received from the State with you to the testing center.

Identification required. You must present a valid form of identification before you can test. That identification document **must**:

- Be government-issued (e.g., driver’s license, state-issued identification card or military identification card).
- Contain **both** a current photo and your signature.
- Have a name that exactly matches the name used to register for the exam (including designations such as “Jr.” and “III”).

Important Failure to provide appropriate identification at the time of the exam is considered a missed appointment. As a result, you must pay a \$40 rescheduling fee before choosing another appointment.

If you cannot provide the identification listed above, contact Prometric **before** scheduling your appointment to arrange an alternative way to meet this requirement.

Test center regulations

To ensure that all candidates are tested under equally favorable conditions, the following regulations and procedures will be observed at each testing center. Failure to follow any of these security procedures may result in the disqualification of your examination. Prometric reserves the right to audiotape and videotape any examination session.

References

- Only approved references are allowed during the exam. Photocopies of reference materials may **not** be used. No handwritten or additional notes (letters, words, diagrams, etc.) are allowed in reference books. Any reference material that has been written in during the exam will be confiscated. Highlighting and permanent tabbing added before your arrival at the test center are acceptable. Post-it® notes are not considered permanent tabbing and will not be allowed.
- Reference materials will be checked at the examination site before and after the exams.
- Sharing reference materials is not allowed.
- No other reference materials, papers or study materials are allowed at the test center. If you are found with these or any other aids, you will not be allowed to continue the exam and your answers will not be scored.

Calculators

- Only silent, handheld, solar or battery-operated, nonprogrammable calculators (without paper tape-printing capabilities or alphabetic keypads) may be used.

Personal items

We recommend that you avoid bringing personal items to the testing center. Note the following:

- Electronic equipment—cell phones, PDAs, pagers, cameras, tape recorders, etc.—is not permitted in the testing area.
- Pocket items—keys, wallet, etc.—must remain in your pocket during testing.
- Other personal items—watches, outerwear that is not being worn while testing (sweater, jacket, etc.), briefcases, purses, etc.—are not permitted in the testing room.

Breaks

- If you leave the testing room while an exam is in progress, you must sign out/in on the roster and you will lose exam time.
- You are not allowed to use any electronic devices or phones during breaks.

Visitors

- No guests, visitors or family members are allowed in the testing area.

Misconduct or disruptive behavior

- Candidates who engage in any kind of misconduct or disruptive or offensive behavior may be dismissed from the examination. Examples are: giving or receiving help, taking part in an act of impersonation, removing test materials or notes from the testing room, using rude or offensive language and behavior that delays or interrupts testing.

Weapons

- Weapons are not allowed at the testing center.

Important Before an exam begins, the test center administrator will inspect all references, briefcases, purses, and so on to ensure that candidates are not in violation of any of these rules. The administrator will collect any materials that violate the rules.

If questions arise. Test center administrators are not allowed to answer any questions pertaining to the exam content. If you do not understand a question on the exam, you should answer the question to the best of your ability.

Copyrighted questions. All test questions are the copyrighted property of Prometric Inc. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these test questions by any means, in whole or in part, without our written permission. Doing so may subject you to severe civil and criminal penalties, including up to five years in prison and/or a \$250,000 fine for criminal violations.

Your exam results

At the end of your exam, your score will be shown on the screen and you will receive a printed score report. The report indicates your overall score and grade, including the numerical percentage of questions answered correctly and whether you passed or failed.

The report also displays your percentage correct in each major section of the exam, as defined by the exam content outline. These section scores are shown to guide you about areas requiring additional preparation for retesting if you do not pass the exam. Even after you pass, you may want to focus on these areas as you begin to provide services to the public.

Note that the section percentages will not average out to your total percentage score. That is because individual exam outline sections are allocated different numbers of questions on the exam. Your total percentage score is computed by dividing the number of questions you answered correctly by the total number of questions in the exam. The total score is **not** computed by adding the section percentages and dividing by the total number of sections.

Sample score report

Sample Examination Score Report			
New Jersey Burglar Alarm Examination			
	Number of Questions	Number Correct	Percent Correct
Total Test Score	50	40	80%
General Electrical Knowledge	5	4	80%
Installation Requirements	17	15	88%
Power Supplies	6	5	83%
Intrusion Detection Equipment	6	4	67%
Signaling Circuits	6	5	83%
Notification Equipment	6	3	50%
Supervisory Stations	4	4	100%
Score: 80%			
Grade: Pass			
(A total score of 70 percent is required to pass)			

Prometric electronically notifies the Fire Alarm, Burglar Alarm and Locksmith Committee of exam results within 10 business days of the exam date. Note that exam scores are confidential and will be revealed only to you and the Committee.

Duplicate score report. You may call or write to Prometric to request a duplicate of your score report for a period of two years after an exam. Direct any questions or comments about your exam to Prometric.

Interim License Letter

If you pass your license exam, you will receive an Interim License Letter for Fire Alarm, Burglar Alarm and/or Locksmith licensure in the State of New Jersey and a letter including instructions on how to obtain your Photo-Identification License.

The Interim License Letter will expire in 60 days. Prior to that date, you are required by law to obtain a Photo-Identification License from Prometric.

Replacement Photo-Identification card. You must contact the State to request a Replacement Photo ID Card. The fee for this service is \$15.

Appeals process

Our goal is to provide a quality exam and a pleasant testing experience for every candidate. If you are dissatisfied with either and believe we can correct the problem, we would like to hear from you. We provide an opportunity for general comments at the end of your exam. Your comments will be reviewed by our personnel, but you will not receive a direct response.

If you are requesting a response about exam content, registration, scheduling or test administration (testing site procedures, equipment, personnel, etc.), please submit an appeal in writing. Your appeal letter must provide your name and Social Security number, the exam title, the date you tested and the details of your concern, including all relevant facts. Be sure to include your signature and return address. Mail your appeal letter to:

Prometric
ATTN: Appeals Committee
 1260 Energy Lane
 St. Paul, MN 55108

The Appeals Committee will review your concern and send you a written response within 10 business days of receipt. **Faxed appeals are not accepted** because an original signature is required.

Exam content outlines

The following content outlines list all subjects covered by each exam and the approximate percentage of questions asked about each topic. Each outline indicates the total number of questions on the exam and the maximum time allowed.

Exam questions are multiple-choice. A score of 70 percent or above is required to pass each exam. You will not be given credit for any question answered incorrectly, marked with more than one answer or left blank. There is no penalty for guessing, so be sure to mark an answer for each question.

Exam references. Each outline lists references that were used to develop the exam, including references that are allowed in the exam room. For information on how to obtain exam references, please call toll-free 877.624.2562.

FIRE ALARM CANDIDATE EXAMS

1. Business and Law Exam
