

## **MOTOR VEHICLE ADJUSTERS / APPRAISERS ---- NEED EXTRA CASH?**

**Prometric**, the leading global provider of comprehensive testing and assessment services, is looking for professionals with experience in Motor Vehicle Appraisal and Adjusting to provide subject matter expertise and guidance for an Insurance exam. This is an excellent opportunity to be involved in the test development field.

### **Participation Requirements & Details**

**Qualifications:** All Subject Matter Experts must be licensed in Motor Vehicle Appraisal or Adjusting

**Responsibilities:** To establish a passing standard for a Motor Vehicle Physical Damage Appraiser exam (also known as a cut score or passing score) by defining a “minimally qualified” candidate.

**Time Commitment:** Participation requires two (3 hour) sessions which will be held via web and tele-conferences. Participants must also independently evaluate the Motor Vehicle Physical Damage Appraiser Exam (approx. 2 hours).

**Compensation:** \$400.00 for full participation in both three hour sessions and exam evaluation.

If you are interested or you know someone else who might be interested, please apply directly to Prometric's website at:
