

# C-61 Limited Remodeling & Repair Contractor (Residential); L-61 Carpentry, Remodeling & Repairs (Commercial); and B-3 General Remodeling & Repair Contractor (Residential)

Exam Number: 030642  
Effective Date: 08/18/08

## License Information

**C-61 Limited Remodeling & Repair Contractor (Residential) Scope** – Remodeling and repairs to existing structures or appurtenances, excluding swimming pools or spas, not to exceed \$25,000 per project per dwelling. Work on electrical, plumbing, air conditioning systems, or boilers that require a building permit must be subcontracted to an appropriately licensed contractor. The scope of work allowed under the C-7R carpentry classification is included. Doors, Gates, Windows, and Accessories, Removable Formwork and shoring, Nailing and Stapling.

**L-61 Carpentry, Remodeling & Repairs (Commercial) Scope** – All rough and finish general carpentry work on new and existing structures, including installation of related hardware and accessories, without dollar limitation. All general remodeling, additions, replacements, and repairs to existing structures, and pre-manufactured items on existing structures, except electrical, plumbing, and air conditioning system work which shall be sublet to properly licensed contractors. A single contract for remodeling, repair or a combination of both, shall not exceed \$50,000.

**B-3 General Remodeling & Repair Contractor (Residential) Scope** – Remodeling or repair of an existing residential structure or appurtenance except for electrical, plumbing, mechanical, boilers, swimming pools, or spas which must be subcontracted to an appropriately licensed contractor. The scope of work allowed under the C-7 carpentry classification is included within this scope. Doors, Gates, Windows, and Accessories, Removable Formwork and shoring, Nailing and Stapling.

The trade test is considered equivalent for these classifications and upon passing the CBME and trade exam, any of these license classification may be applied for without further testing.
