To: Florida Nurse Assistant Training Programs

Subject: **Florida Application Change Effective September 22, 2008**

Effective September 22, 2008 Prometric will go back to using the paper application located in the back of the Candidate Bulletin of Information, we will no longer be accepting the bubble form scan applications. If you have already sent in scannable forms, we will process those.

We will be sending a notice to all programs with a copy of the new application. Please feel free to duplicate this application or you can now download this form at <http://www.prometric.com/NurseAide/FL.htm>

An updated bulletin is available at this site as well.

You can also continue to access the online application at <http://www.prometric.com/NurseAide/FL.htm>

Should you have any questions, please contact us at 888.277.3500.

We thank you for your continued cooperation.
