

**NOTE: In order to sit for a Microsoft Certification exam at a Prometric testing center in India, China, or South Africa, Candidates must be a legitimate resident of that country. If Candidates ARE a legitimate resident of that country, they must show documented proof that they are a legitimate resident of that specific country. To verify country of residence, Candidates must show one of the following forms of identification (ID)—one with a photo and an official residence address: a passport, a driver's license, a national ID card, or a government-issued Student IDs as an official form of identification.**

**Effective September 15, 2010, Prometric testing centers in these three countries are required to show documented proof that they are a legitimate resident of that specific country. To verify country of residence, Candidates must show one of the following forms of identification (ID)—one with a photo and an official residence address: a passport, a driver's license, a national ID card, or a government-issued Student IDs as an official form of identification.**

**NOTE: Non-eligible candidates will be turned away at the testing center if the**
