SAFEmloTEST

Mortgage Licensing Act of 2008

Title V of P.L. 110-289, the Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (SAFE Act) was passed into law on July 30, 2008.

The SAFE Act requires state-licensed Mortgage Loan Officers to pass a written qualified test, to complete pre-licensure education courses and to take annual continuing education courses. The SAFE MLO Test consists of two components: a National Component and a Unique State Component.

MLOs must pass the National Test Component and pass a Unique State Component for each state or jurisdiction in which they wish to be licensed.

If you have not already enrolled for the National or State Test Components, please visit:
