---

**Congratulations!** Your application has been approved by the Hawaii Board of Electricians and Plumbers. You are now eligible to register with Prometric for your licensing examination. The Board will send you two copies of the official approval letter. One copy is for your personal records; the other copy **must be sent** with the attached exam registration form to Prometric. You cannot be scheduled for an exam date until Prometric receives your approval letter and registration form.

Your exam results are confidential and will be released to you only at the address you have provided. To protect your privacy and to maintain confidentiality, scores will **not** be disclosed over the phone.

**Important** If you take an exam without Board approval, your test scores will be invalidated and you will be subject to possible disciplinary sanctions.
