**Special Testing Considerations**

**ADA accommodation.** If you require testing accommodations under the Americans with Disabilities Act (ADA), please call Prometric at 888.226.9406 to obtain an accommodation request form. Reasonable testing accommodations are provided to allow candidates with documented disabilities recognized under the ADA an opportunity to demonstrate their skills and knowledge.

Submit professional documentation of your disability with your form to help us determine the necessary testing arrangements. Thirty days’ advance notice is required for all special testing arrangements. There is no additional charge for these accommodations.

**ESL note.** If English is your second language, please note that a language barrier is not considered a disability.
Preparing can help you pass your exam and possibly save time and money needed to take it again.

The exam is in an open-book, multiple-choice format. You can use the content outline in this bulletin (beginning on Page 6) to prepare for your exam.

**Note** Do not schedule your exam until you are familiar with all subject areas in the content outline.

**Online practice exam.** To help alleviate anxiety, Prometric has prepared a business and law practice exam. The practice exam is available at [www.prometric.com/arkansas/construction](http://www.prometric.com/arkansas/construction). It was created using the same question types as the actual exam.

During the practice exam, you will get immediate feedback to correct and incorrect responses as well as overall feedback at the end of the session. You may even print out the final practice exam results to help you with further test preparation.

The fee for the practice exam is $30 and is payable online at the time you purchase the practice exam.

**Sample questions.** A list of the type of questions that may be included in the exams can be found on Page 6.

**What to Bring on Exam Day**

You should arrive at the test center at least **30 minutes** before your scheduled appointment. This allows time for you to sign in and for Prometric staff to complete the admission procedures required before your test begins.

Bring all the following items with you to your exam appointment:

- A current, valid, government-issued photo identification card, such as a driver’s license or passport.
- A silent, nonprinting, nonprogrammable calculator (calculators capable of alphabetic entry **cannot** be used).

**Important** Failure to provide appropriate identification and your admission letter or confirmation number at the time of the exam is considered a missed appointment. If you miss an appointment, you forfeit your fees.

If you do not appear for your scheduled exam or arrive late and are not admitted, you will forfeit all exam fees and must re-register for another exam date.
To ensure that all candidates are tested under equally favorable conditions, the following regulations and procedures will be observed at each test center. Failure to follow any of these security procedures may result in disqualification of your examination. Prometric reserves the right to audiotape and videotape any examination session.

**References**

**Important Note:** If you attempt to take the exam with a different version of the reference, you will be doing so at your own risk. Exam content reflects the version above.

Examples are: giving or receiving help, taking part in an act of impersonation, removing test materials or notes from the testing room, using rude or offensive language and behavior that delays or interrupts testing. Exhibiting abusive behavior towards the test center administrator, or any other staff member of the test center, may result in criminal prosecution.

Weapons

**If questions arise.** Test center administrators are not allowed to answer any questions pertaining to the exam content. If you do not understand a question on the examination, you should answer the question to the best of your ability.

**Your Exam Results**

A score of 70 percent or above is required to pass the exam. Scores are based on the number of questions answered correctly. You will not be given credit for any question answered incorrectly, marked with more than one answer or left blank. There is no penalty for guessing, so be sure to mark an answer for each question.

At the end of your exam, your score will be shown on the screen and you will receive a printed score report. The report indicates your overall score and grade and whether you passed or failed.

If you do not pass, you will need to re-register for the exam following the registration procedures in this bulletin.

**Duplicate score report**

You may request a duplicate of your score report by calling Prometric. You will be charged a $30 processing fee per report.

**Appeals Process**

Our goal is to provide a quality exam and a pleasant testing experience for every candidate. If you are dissatisfied with either and believe we can correct the problem, we would like to hear from you. We provide an opportunity for general comments at the end of your exam. Your comments will be reviewed by our personnel, but you will not receive a direct response.

If you are requesting a response about exam content, registration, scheduling or test administration (testing site procedures, equipment, personnel, etc.), please submit an appeal in writing.
