

Important Test Day Checklist

- Review your appointment confirmation email to confirm your appointment time.
- Arrive at the testing center at least 30 minutes prior to your appointment.
- Review driving directions. Allow sufficient time for travel, parking, locating the test center, and checking in. Depending on the location of the testing facility, note that additional parking fees may apply. Prometric, Inc. does not have the ability to validate parking.
- Bring a valid, non-expired government-issued ID with a current photo and signature.
- Consider wearing layers of clothing, which can be removed due to variability in temperature in the test area.
- If bringing bottled water and necessary prescriptions, please note that these items must be kept in your test center locker for access if needed.
- Consider bringing your own soft ear plugs or use the test center-provided sound dampening ear phones to decrease distractions during the test.
