Texas Department of Insurance Individual Insurance License Application | 30
Introduction

The Texas Department of Insurance (TDI), with authority from the state legislature, is responsible for the licensing and regulation of persons who wish to sell insurance or adjust property-casualty claims in the state of Texas. Some of these licenses require that applicants pass a TDI examination. TDI has contracted with Prometric Inc., to administer these exams on behalf of TDI, as well as to receive and screen candidate applications related to these examinations.

This bulletin provides you with information about the TDI examination and application process for becoming licensed as one of the following:

- Adjuster - All Lines
- Adjuster - Property and Casualty
- Adjuster - Workers Compensation
- General Lines - Life, Accident and Health Agent
- General Lines - Property and Casualty Agent
- Insurance Service Representative
- Life Agent
- Life and Health Insurance Counselor
- Limited Lines Agent
- Managing General Agent
- Personal Lines Property and Casualty Agent
- Public Insurance Adjuster
- Risk Manager
- Surplus Lines Agent

We wish you well in preparing for your examination and remind you that by law you are required to complete continuing education credits approved by TDI in each two-year license period. A license is a privilege, not a right or a gift. You must commit yourself from the beginning to comply with the insurance laws and regulations set forth in the Texas Insurance Code and Title 28 of the Texas Administrative Code. The laws and administrative rules can be changed at any time. You are expected to be aware of changes in laws and administrative rules that affect your occupational practice. **TDI places full responsibility on you, the prospective licensee, to know and comply with the law.**
Follow these main steps if you are a Texas resident interested in obtaining an insurance license covered by this bulletin. If the license you seek is not listed in the above section, please contact TDI at 512.322.3503 for assistance. If you are not a Texas resident, please read the "Requirements based on residency" section on Page 5 before proceeding.

To obtain your insurance license

1. Review this bulletin thoroughly to:
   - Determine any examinations needed and other license requirements.
   - Understand examination registration, expiration and rescheduling provisions.

2. Register and pay for your examination and schedule an appointment to take it.
   The easiest way to register is online at www.prometric.com/texas.
   Phone, fax and mail options are also available. (See Page 9.)

3. Prepare for your exam, using this bulletin and other materials. (See Page 12.)
   The content outlines in this bulletin are the basis for the examinations.
   Outlines begin on Page 20.

4. Take the scheduled examination, bringing required identification to the test center. (See Page 13.)

5. Pass the required licensing examination. (See Page 3.)

6. Send the completed license application form and any other required information plus the correct fees to Prometric, or submit the application electronically online at www.sircon.com\texas. (See Page 17.)

Important  The application and license fees may be submitted either before or after taking the exam. However, the application must be submitted within 12 months of passing the exam or you must retake the exam. Likewise, if you submit your application before taking your exam, you must pass your exam within one year or you will need to submit another license application and fee.

*Individuals who pass both the Property and Casualty Adjuster and Workers Compensation Adjuster exams are eligible for an Insurance Adjuster - All Lines license.

**Note** If you are applying for a license that does not require a TDI examination, you must apply directly to TDI (not to Prometric) with a TDI application.

License examination exemptions

The **Texas Insurance Code** allows persons to qualify for some licenses without taking an exam if they hold a particular designation. Applicants who are exempt from examination must submit to TDI the TDI license application along with documentation. The TDI application is available at the agent section of [www.tdi.texas.gov](http://www.tdi.texas.gov).

The documentation supporting the exemption must include a copy of the diploma or certificate clearly showing the applicant’s name and the date the designation was conferred. Certified Insurance Counselors (CICs) must also submit a Letter of Good Standing from the Society of CIC.

In addition to the designation exemption, applicants may qualify for the Insurance Adjuster - All Lines, Insurance Adjuster - Property and Casualty or Insurance Adjuster - Workers Compensation License by successfully completing a TDI-approved course within 12 months prior to submitting an application. Applicants who qualify for an Adjuster license by completing such a course must submit to TDI the TDI license application (including the application fee) along with the course certificate of completion. The certificate must clearly show the applicant’s name, the course name, the course provider and the date the course was completed. A list of TDI-approved courses and the TDI application are available at the agent section of [www.tdi.texas.gov](http://www.tdi.texas.gov).
In addition to the general license requirements necessary of all applicants (listed on Page 3), Surplus Lines Agent and Public Insurance Adjuster applicants must meet the requirements listed below.

**Surplus Lines Agent** applicants must:
- Hold either a General Lines – Property and Casualty Agent license issued under Chapter 4051 of the *Texas Insurance Code* or a Managing General Agent license issued under Chapter 4053 of the *Texas Insurance Code*.
- Have the facilities necessary for accumulating and preserving the records that a Surplus Lines Agent must keep.
- Possess sufficient knowledge and experience in placing insurance with licensed insurers to determine the eligibility of insurance for procurement of an unauthorized insurer.
- Possess sufficient knowledge and experience in the field of insurance to collect and analyze financial and other data to determine the eligibility of an unauthorized insurer as a surplus lines insurer.

**Public Insurance Adjuster** applicants must:
- Prove financial responsibility by filing a $10,000 bond. The surety bond form is available from TDI and at the agent section of [www.tdi.texas.gov](http://www.tdi.texas.gov).
- Submit fingerprints, even if the applicant is a nonresident.

**Note**
Public Insurance Adjuster Trainees must pass the Public Insurance Adjuster examination and submit a completed Prometric application to Prometric to obtain a Public Insurance Adjuster license. Public Insurance Adjuster Trainee licenses are not automatically upgraded to Public Insurance Adjuster licenses when the license-holder passes an examination.

Requirements for licensing vary if you do not currently reside in Texas. This section describes licensing requirements for nonresident and new resident applicants. All other individuals must follow the Texas resident requirements outlined on Page 3.

**Nonresident licensing requirements**
If you are a nonresident applicant who **holds in good standing** in your resident state the same or substantially similar license authority as the Texas license for which you are applying, you are not required to take a licensing examination. Such applicants must submit the TDI application directly to TDI. The application form is available online at the agent section of [www.tdi.texas.gov](http://www.tdi.texas.gov).

If you are a nonresident applicant who **does not hold in good standing** in your resident state the same or substantially similar license authority as the Texas license for which you are applying, you must pass the exam, submit a complete application and submit a criminal history record obtained from a state law enforcement agency of your state of residence. If your resident state will not provide a criminal history record for licensing purposes, you must follow the directions in the “Fingerprint and criminal history requirements” section on Page 7.
New Texas resident requirements
If you are moving to Texas and wish to qualify for a Texas license without taking an examination, you must:

- Have held the same or a similar insurance license in your previous state within the 90-day period preceding the Texas application.
- Submit the TDI application to TDI with a letter of clearance or a Producer Database (PDB) report showing that you have had a license within the 90-day period. The application form is available online at the agent section of www.tdi.texas.gov.

Temporary licenses
A 90-day temporary license allows you to be licensed before passing an examination and receiving the permanent license. Temporary licenses are available for only General Lines Agent, Life Agent, Limited Lines Agent, Managing General Agent, and Personal Lines Property and Casualty Agent licenses.

To request a temporary license, have your license application form signed by the company, agent or agency sponsoring the temporary license. Then, send your application to Prometric/Oak Hill Technology. Prometric/Oak Hill Technology must receive a complete application and fingerprint receipt before TDI will issue the temporary license. You must complete 40 hours of training within 14 days from the date of submitting your temporary license application.

After passing the appropriate examination, and receiving approval from TDI, you will be issued the permanent license. If unsuccessful in passing the examination, you may register and schedule to take another examination. Another license application is not required within one year of submitting the temporary license application.

Note Temporary licenses may not be renewed.

Companies, agents and agencies may appoint a maximum of 500 temporary licensees each calendar year. Of these, a minimum of 70 percent must sit for an examination and at least 50 percent of those testing must pass the examination.

The sponsorship of a subagent must follow the guidelines described in the Subagents section below.

Subagents
A subagent is not a separate license type, but it is a particular kind of relationship between two agents or between an agent and an agency. Subagents act for or on behalf of the appointing licensed agent/agency. An agent who only has appointments as a subagent may not appoint a subagent.

A subagent:
- May represent the insurance carriers to which the sponsoring agent is appointed and is not required to be separately appointed by the insurance carriers.
- Must be licensed to write each type of insurance he or she is employed to write, but is not required to hold each license type issued to the sponsoring agent/agency.
- May be individually appointed by insurance carriers as well as being appointed as a subagent.
- May be appointed as a subagent of multiple agents/agencies.
Only General Lines Agents, Personal Lines Property and Casualty Agents and Life Agents may appoint subagents or be appointed as subagents.

- A General Lines - Life, Accident and Health Agent may appoint a General Lines - Life Accident and Health Agent or a Life Agent.
- A Life Agent may appoint a General Lines - Life Accident and Health Agent or a Life Agent.
- A General Lines - Property and Casualty Agent may appoint a General Lines - Property and Casualty Agent or a Personal Lines Property and Casualty Agent.
- A Personal Lines Property and Casualty Agent may appoint a General Lines - Property and Casualty Agent or a Personal Lines Property and Casualty Agent.

SCHEDULING YOUR EXAM APPOINTMENT

888.467.2080. When you schedule your electronic fingerprint appointment, you must pay $41.45 ($31.50 processing fee plus a $9.95 fingerprint collection fee).

Please note: L1 schedules all electronic fingerprint appointments. You must contact Prometric in order to register and schedule an examination appointment, if required. If your fingerprint appointment is at a Prometric test center, test center staff will make every attempt to complete the fingerprint service during your visit regardless of the actual fingerprint appointment time.

3 Arrive at your electronic fingerprint appointment location with your FAST Pass form. A fingerprint technician will capture your digital fingerprints. You will also be photographed as part of the fingerprint process.

4 After your fingerprints and photograph are taken, the technician will give you a receipt verifying that you were fingerprinted. Do not throw away the receipt! You need to attach a copy of this receipt to your license application when you submit it to Prometric/Oak Hill Technology. You will not get a printed fingerprint card.

Exception to electronic fingerprinting

When electronic fingerprinting is not available, use the following process.

1 Print and complete the FAST Fingerprint Card Scan Authorization Form from TDI’s Web site, www.tdi.texas.gov/forms/form11.html. ALL information requested on the FAST Fingerprint Card Scan Authorization Form MUST be provided. That includes sex, race, date and place of birth, home address, etc. If the required information is not provided, the fingerprint card cannot be processed.

2 Get fingerprinted by a criminal law enforcement agency on an original APPLICANT fingerprint card that includes Texas Department of Insurance ORI TX920540Z. ALL requested information must be provided on the fingerprint card. You and the official taking the fingerprints must sign the card. Blank cards may be obtained from TDI by calling 512.322.3503 or emailing a request to LICENSE.TITAN.TDI@tdi.state.tx.us. All fingerprints MUST be captured by a law enforcement agency.

3 Make check for $41.45 payable to “L1 Enrollment Services.”

4 Mail the completed Fingerprint Card Scan Authorization Form, original fingerprint card and check to: L1 Enrollment Services, 1650 Wabash Avenue, Suite D, Springfield, IL 62704.

5 Wait for a FAST receipt from L1 Enrollment Services. The FAST receipt must be attached to the completed Application at the time it is mailed to Oak Hill Technology.

Scheduling your exam appointment

TDI has contracted with Prometric to conduct its examination program. TDI and Prometric work together closely to ensure that examinations meet local requirements and professional examination development standards.

Follow the instructions here to register and schedule an appointment to take your examination.
Before you can test, you must contact Prometric to:

1. Register by providing your Social Security number and contact information (first-time testers).
2. Pay the examination fee.
3. Schedule an appointment for your examination. If you need to provide fingerprints with your application, see “Fingerprint and criminal history requirements” on Page 7. Examinations and fingerprints have separate appointments.

When you complete the examination appointment process, you will receive a confirmation number. Please keep your confirmation number—you will need it to schedule, reschedule, cancel and confirm your examination appointment.

Confidentiality. Under the direction of TDI, Prometric requires that, for identification purposes, you provide your Social Security number when registering. Be assured that Prometric treats your Social Security number as confidential. It is used only as an identification number in maintaining your record and reporting your score to TDI.

Accommodations. If you require ADA accommodation or ESL additional time, see "Special test considerations" on Page 11 before registering.

Holidays. Testing generally does not occur on the following holidays:

- New Year’s Day
- Martin Luther King Jr. Day
- Presidents’ Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

Additional state holidays may be observed in the state where you schedule your examination appointment.

Test centers
You may take your examination at any Prometric test center in the United States. A complete list of test center locations may be found by going to www.prometric.com/texas/insurance and clicking on the "Do More" button. Alternatively, you may call 800.853.5448.

Test center locations are subject to change. Be sure to verify the address of and directions to your destination before you leave for your exam.

On the Internet—register and schedule your exam at one time
Register and schedule your examination appointment online at any time using our Internet Registration Service. To register and schedule online:

2. Click in the Schedule your test box and follow the prompts.
By phone—a one-step process
You may register and schedule your examination by calling 866.267.0455 between 8 a.m. and 5 p.m. (Central time), Monday through Friday. Please have your examination registration form and your Visa or MasterCard information available. At the end of the call, you will be given a number confirming your appointment. Record and keep this confirmation number for your records.

By fax or mail—a two-step process
You can register by fax or mail in two steps: (1) register and pay your examination fee; and (2) schedule your examination appointment by phone.

You may fax your completed examination registration form (Page 28) to Prometric at 512.899.2927. You must include a Visa or MasterCard number and the cardholder’s signature on the fax. Faxed registrations are processed within two business days of receipt.

You may mail your completed examination registration form and the appropriate fees to Prometric. Please allow four to eight days for delivery of mailed registrations and then 48 hours for processing. When registering by mail, you may pay the examination fee by including a Visa or MasterCard number and the cardholder’s signature, company check, cashier’s check or money order. Personal checks and cash are not accepted.

Once your registration has been processed, you can schedule an appointment online at www.prometric.com/texas or by calling 866.267.0455. Please record and retain the number confirming your appointment.

Registration and fingerprinting fees, expiration, and refund policy
Examination fees are listed on the registration form on Page 29 of this bulletin. Fees for all exams may be included in one payment. MasterCard, Visa, money order, company check and cashier’s check are accepted forms of payment. Personal checks and cash are not accepted. Examination registration fees are not refundable or transferable.

Note If you register for an exam by fax or mail, you must call or go online to schedule an exam appointment within 90 days. After 90 calendar days, your registration will expire without further notice. We recommend that you do not register for your exam until you are prepared to take your exam. If you allow your examination registration to expire or do not pass your exam, you must re-register and pay another examination registration fee.

Rescheduling your exam appointment
You may reschedule your examination appointment up to three full business days before the day of your originally scheduled appointment. If you do not allow at least three full business days to reschedule your appointment, you are required to pay a new, full examination fee prior to choosing another appointment.
Refer to the following table to determine the last day you may reschedule without paying another examination fee.

Note that this schedule does not include holidays. Since holidays are not business days, they are not included in the three business days (call earlier).

**If absent or late for your appointment**

If you miss your appointment or arrive late and are not allowed to test, you will forfeit your examination fee. You will be required to submit a new examination fee prior to scheduling a new appointment.

If you are unable to attend your scheduled examination due to illness or emergency, call Prometric. Under certain circumstances, the forfeiture of fees may be waived. Prometric reserves the right to request documentation to support any illness or emergency claim.

**Emergency closings**

Severe weather or an emergency could require canceling scheduled exams. If this occurs, Prometric will attempt to contact you by phone or e-mail; however, you may check for test site closures by calling Prometric at 866.267.0455. If the site is closed, your examination will be rescheduled without a rescheduling fee.

If a test center is open for testing and you choose not to appear for your appointment, your fee will be forfeited. You must then reschedule your examination and pay another full examination fee.

**Special test considerations**

**ADA accommodation.** If you require testing accommodations under the Americans with Disabilities Act (ADA), please call Prometric at 888.226.9406 to obtain an accommodation request form. Reasonable testing accommodations are provided to allow candidates with documented disabilities recognized under the ADA an opportunity to demonstrate their skills and knowledge.

Candidates should submit professional documentation of the disability with their form to help us determine the necessary testing arrangements. Thirty days’ advance notice is required for all testing arrangements. There is no additional charge for these accommodations.

**English as a Second Language (ESL).** If English is not your primary language, you may qualify for additional time for your examination by requesting an ESL Authorization from Prometric. Please include:

- A personal letter requesting the authorization; and
- A letter from your English instructor or sponsoring company (on company letterhead) certifying that English is not your primary language.

**Note** If documentation is approved, Prometric will extend the time limit on your examination to time and a half. You will be notified by mail of this approval. You should not schedule your examination until you have received the approval letter.
Spanish exams. Spanish versions of the examinations are available. Applicants who would like to take an examination in Spanish should indicate this when they register for the examination.

Preparing for your exam

Being well prepared can help you pass your exam and possibly save you money and time spent retaking it. This section offers:

- An overview of the exam content outlines in this bulletin.
- Information about study materials.
- An explanation of how to take a practice exam.

Content outlines overview

The license examination for each license type consists of questions that test knowledge of topical areas listed in that exam’s content outline. An overview of each examination content outline appears in this bulletin, beginning on page 20. You may view a complete outline specific to your examination online at www.prometric.com/texas/insurance.

Item-development staff at Prometric and insurance professionals research the content and write questions. The questions are then submitted to industry professionals in Texas for review and approval. These industry professionals first identify the important areas of knowledge and then confirm that the examination questions assess them. This process ensures that the examinations reflect content that you, as an entry-level agent, will need to know to properly perform your duties for the insurance-buying public.

Study materials

TDI does not specify an official study manual, nor are you required to take a prelicensing study course. You are free to use materials of your own choosing to prepare for the license exam. Neither TDI nor Prometric lists or recommends study materials.

Read the content outline as a basis of study and to familiarize yourself with insurance terms and policy components. Make sure you can explain the major points associated with each outline topic. Make sure your study materials cover the topics in the outlines.

Hint Do not schedule your exam until you are familiar with all subject areas in the applicable content outline.

Texas statutes. In addition to the many commercial study courses available, TDI suggests that you review the Texas Insurance Code as well as relevant sections of Title 28 of the Texas Administrative Code. You can find links to these codes online at www.tdi.texas.gov.

Practice exams

Practice exams are available at www.prometric.com/texas/insurance. While practice exams contain general, nonstate-specific insurance questions, they are created in the same format and use the same question types as the actual licensure exams. Practice exams will also help you become familiar with the computer-based testing process.

During the practice exam, you will get immediate feedback to correct and incorrect responses as well as overall feedback at the end of the session. If you like, you may print out the final practice exam results to help you with further test preparation.
Practice exams are available for Life, Health, and Property/Casualty lines. The fee for each practice exam is $25 and is payable online at the time you purchase the practice exam.

**Taking your exam**

Knowing what to expect when taking your examination may help you prepare for it. This section contains:

- An overview of the testing process.
- Regulations that will be enforced at the test center.
- Details about the types of questions that will be on the examination.
- A guide to understanding your examination results.
- Information on the appeals process.

**The testing process**

Your examination will be given by computer at a Prometric test center. You do not need any computer experience or typing skill to take your exam. Before you start the exam, you will receive a personalized introduction to the testing system. You may also take an introductory lesson on the computer.

**Arrival.** You should arrive at least **30 minutes before** your scheduled examination appointment. This allows time for you to sign in and for staff to verify your identification.

**Identification required.** You must present a **valid** form of identification before you can test. That identification document **must**:

- Be government-issued (e.g., driver's license, state-issued identification card or military identification card).
- Contain both a current photo and your signature.
- Have a name that exactly matches the name used to register for the examination (including designations such as "Jr." and "III").

**Important** Failure to provide appropriate identification at the time of the exam is considered a missed appointment. As a result, you forfeit your fees.

If you cannot provide the identification listed above, contact Prometric **before** scheduling your appointment to arrange an alternative way to meet this requirement.

---

**Test center regulations**

To ensure that all candidates are tested under equally favorable conditions, the following regulations and procedures will be observed at each test center. Failure to follow any of these security procedures may result in the disqualification of your examination.

1. You will be continuously monitored by video, physical walk-throughs and the observation window during your test. All testing sessions are video and audio recorded.

2. You must present valid (unexpired) and acceptable ID(s) in order to take your test. (See "Identification required" in the above section).

3. You are required to sign out on the test center roster each time you leave the test room. You must also sign back in and show your ID to the Test Center Administrator (TCA) in order to be re-admitted to the test room.
4 You are prohibited from communicating, publishing, reproducing, or transmitting any part of your test, in any form or by any means, verbal or written, for any purpose.

5 You must not talk to other candidates or refer to their screens, testing materials, or written notes in the test room.

6 You must not use written notes, published materials, or other testing aids, except those allowed by TDI.

7 You are allowed to bring soft ear plugs or center-supplied tissues in the test room.

8 Any clothing or jewelry items allowed to be worn in the test room must remain on your person at all times. Removed clothing or jewelry items must be stored in your locker.

9 You must not bring any personal/unauthorized items into the testing room. Such items include but are not limited to: outerwear, hats, food, drinks, purses, briefcases, notebooks, pagers, watches, cellular telephones, recording devices, and photographic equipment. Weapons are not allowed at any Prometric Test center. You will be asked to empty and turn your pockets inside out prior to every entry into the test room to confirm that you have no prohibited items.

10 You will be scanned with a metal detector wand prior to every entry into the test room. If you refuse, you cannot test.

11 You must return all materials issued to you by the TCA at the end of your test.

12 You are not allowed to use any electronic devices or phones during breaks.

13 Your test may have either scheduled or unscheduled breaks, which are determined by TDI. The TCA can inform you what is specifically permitted during these breaks.

14 Repeated or lengthy departures from the test room for unscheduled breaks will be reported by the TCA.

15 If you need access to an item stored in the test center during a break such as food or medicine, you must inform the TCA before you retrieve the item. You are not allowed to access any prohibited item (as defined by TDI for the test you are taking).

16 You must conduct yourself in a civil manner at all times when on the premises of the test center. Exhibiting abusive behavior towards the TCA, or any other staff member of the test center, may result in criminal prosecution.

17 To protect the privacy of all testers, the TCA can neither confirm nor deny if any particular individual is present or scheduled at the test center.

18 Persons not scheduled to take a test are not permitted to wait in the test center.

Calculators. You are allowed to use a calculator or slide rule while taking an exam. Only silent, handheld, solar or battery-operated, nonprogrammable calculators (without paper tape-printing capabilities or alphabetic keypads) may be used. Calculators will be available at the test center.

If questions arise. Test center administrators are not allowed to answer any questions pertaining to the exam content. If you do not understand a question on the examination, you should answer the question to the best of your ability.

Copyrighted questions. All test questions are the property of Prometric Inc. and are protected by copyright. Federal law provides severe civil and criminal penalties for the unauthorized reproduction, distribution, or exhibition of copyrighted materials.
The questions in your licensing examination are multiple choice. Each provides four options from which you choose your answer.

**Question formats.** Three different multiple-choice formats are used. Each format is shown in the following examples. An asterisk (*) indicates the correct answer in each sample question.

**Format 1—Direct question**
Which one of the following is a type of health insurance policy designed to replace the wages of an insured who is unable to work due to an accident or sickness?

* 1. Disability Income Insurance Policy
   2. Employer-Sponsored Group Major Medical Policy
   3. Hospital Expense Insurance Policy
   4. Special Risk Policy

**Format 2—Incomplete sentence**
Benefits under workers’ compensation insurance are payable:

* 1. For bodily injury that is accidental or intentional
   2. Regardless of the liability of the employer
   3. Unless safety rules are violated
   4. Up to a maximum of 30 percent of weekly wages

**Format 3—All of the following except**
A life insurance policy may include provisions that do all of the following EXCEPT:

* 1. Restrict coverage if death is caused by suicide
   2. Require evidence of insurability to reinstate coverage
   3. Extend the contestable period beyond two years
   4. Adjust proceeds if the insured’s age is misstated on the application

**Experimental questions.** Your examination may include some experimental questions that will not be scored. If present, they are distributed throughout the examination and will not be identified as such. These are used to gather statistical information on the questions before they are added to the examination as scored items. These experimental questions will not be counted for or against you in your final examination score.

**Your exam results**
At the end of your examination, your score will be shown on the screen and you will receive a printed score report. The report indicates your overall score and grade, including the numerical percentage of questions answered correctly and whether you passed or failed.

The report also displays your percentage correct in each major section of the exam, as defined by the examination content outline. These section scores are shown to guide you, your employer and your trainer about areas requiring additional preparation for retesting if you do not pass the examination. Even after you pass, you may want to focus on these areas as you begin to provide insurance products and services to the public.

Note that the section percentages will not average out to your total percentage score. That is because individual examination outline sections are allocated different numbers of questions on the examination. Your total percentage score is computed by dividing the number of questions you answered correctly by the total number of questions in the examination. The total score is not computed by adding the section percentages and dividing by the total number of sections.

(A total score of 70 percent is required to pass)

**Important** If you do not pass the examination, you must re-register and schedule another examination appointment, as well as pay another examination registration fee. There is no limit to the number of times an applicant may take an examination.

**Appeals process**

Our goal is to provide a quality examination and a pleasant testing experience for every candidate. If you are dissatisfied with either and believe we can correct the problem, we would like to hear from you. We provide an opportunity for general comments at the end of your exam. Your comments will be reviewed by our personnel, but you will not receive a direct response.

If you are requesting a response about examination content, registration, scheduling or test administration (testing site procedures, equipment, personnel, etc.), please submit an appeal in writing.

Your appeal letter must provide your name and Social Security number, the examination title, the date you tested and the details of your concern, including all relevant facts. Be sure to include your signature and return address. Mail your appeal letter to:

**Prometric**
**ATTN: Appeals Committee**
1260 Energy Lane
St. Paul, MN 55108

The Appeals Committee will review your concern and send you a written response within 10 business days of receipt. **Faxed appeals will not be accepted** because an original signature is required.
Applying for Your License

Obtaining and keeping your license

This section offers information about:

- Applying for your license.
- How to obtain additional company or subagent appointments.
- Renewing your license.
- Continuing education requirements.
- Obligation for notifying TDI of address changes.

You must complete a separate application for each license type you wish to obtain.

License fees cannot be transferred from one license applicant to another license applicant or from one license type to another license type.

Resident applicants applying for a license that requires an examination must:

- Submit to Prometric/Oak Hill Technology a completed Texas Insurance License Application form (see Page 30); license application fees; and a copy of the fingerprint receipt from L1 or Prometric evidencing that the applicant’s fingerprints were submitted to the Texas Department of Public Safety (see “Fingerprint and criminal history requirements” on Page 7 for more information); OR
- Submit the application electronically online at www.sircon.com/texas.

Note Sending an application for a license that requires a Prometric examination to TDI can increase the application’s processing time.

Prometric will return incomplete license applications or applications received without the required fee to the applicant.

The application and license fees may be submitted either before or after taking the examination. Your license application is valid for one year from the date the complete application is submitted to Prometric. Applicants who do not submit a license application within 12 months of passing the examination must retake the examination. If you have a sponsor listed on your application and you apply before testing, a notice of the examination results will be sent to your sponsor.

Note Applicants who have passed the examination, submitted a completed application, and been approved by TDI will be issued a license. TDI will mail the license to the mailing address listed on the application.

Nonresident applicants who have not held a similar license in their home state within the past 90 days must submit to Prometric/Oak Hill Technology:

- A copy of the fingerprint receipt from L1 or Prometric evidencing that the applicant’s fingerprints were submitted to the Texas Department of Public Safety. (see “Fingerprint and criminal history requirements” on Page 7 for more information).
- A complete Texas Insurance License Application form (see Page 30) and license application fees.
- An original criminal history record obtained from the state law enforcement agency of the applicant’s state of residence.

Nonresident applicants who have held a similar license in their home state within the past 90 days must submit a completed TDI application directly to TDI with a
letter of clearance, a letter of certification or a Producer Database (PDB) report showing that he or she has or had a similar license in their home state within the previous 90 days. The application form is available online at the agent section of www.tdi.texas.gov.

**Obtaining additional company or subagent appointments**

If an agent wishes to represent additional insurers/HMOs (companies), each company must file a notice of appointment with TDI no later than the 30th day after the agent begins representing the company. The appointment may be filed on a TDI 501 form, available from TDI, or electronically through a third-party vendor. The agent may sell only insurance lines for which he/she holds a license.

A General Lines agent being appointed as a subagent must hold a General Lines license of the same qualification as the license held by the appointing General Lines agent/agency (see “Subagents” on Page 6 for more information). The General Lines agent must submit a Notice of Appointment on a TDI 501 form to appoint a subagent.

**Important** A $10 fee is required for each additional company or subagent appointment. A temporary licensee may not obtain additional appointments.

**Renewing your license**

All permanent licenses are issued for two years and expire biennially on the license’s anniversary date. Temporary licenses are issued for 90 days and cannot be renewed. An Adjuster Trainee license is issued for 12 months and cannot be renewed. A Public Insurance Adjuster Trainee license is issued for 180 days and can be renewed only once. You can check a license’s expiration date from the agent section of www.tdi.texas.gov.

**Renewal notices**

TDI will send a License Renewal Notice (invoice) that contains the expiration date and renewal fee for each permanent license type you have. If you added a qualification or qualifications during the license period, the new qualification’s renewal fee will be prorated. TDI mails the renewal notice approximately 90 days before the license’s expiration date to the mailing address in TDI’s records.

Licensees may renew a license two ways:

1. Online with a credit card at www.texasonline.state.tx.us or www.sircon.com/texas; or
2. By sending payment and the bottom section of the renewal notice to the address on the renewal notice.

**Late renewals**

The renewal amount must be paid on or before the license expiration date to avoid a late fee. If your license has been expired for:

- **Less than 90 days**, you may renew the license as above, with an additional late fee that is equal to one-half of the renewal fee.
- **More than 90 days but less than one year**, you may not renew the license, but may obtain a new license without taking the applicable examination by submitting to TDI a new license application, the license fee and an additional fee equal to one-half of the license fee.
• **One year or more**, you may not renew the license. You must obtain a new license by submitting to re-examination, if examination is required for the original issuance of the license, and complying with the requirements and procedures for obtaining an original license.

**Note** If you fail to renew a license because you did not update your TDI mailing address, you will not be excused from the penalties described above. Licensees are required to notify TDI promptly of any mailing address changes. (See “Address changes” on Page 19.

---

**Continuing education**

Licensees with General Lines - Property and Casualty, General Lines - Life, Accident and Health, Life and Health Counselor, Personal Lines Property and Casualty, Life, Insurance Service Representative, and Adjuster licenses must earn at least 30 hours of continuing education (CE) credit in each two-year renewal cycle; the CE must include two hours of ethics or consumer protection courses.

Texas residents who hold Limited Lines, Life Insurance Not to Exceed $25,000 and County Mutual licenses must earn 10 CE hours in each two-year renewal cycle, including two hours of ethics or consumer protection courses. All licensees must complete at least half of their CE requirement in classroom or classroom-equivalent courses.

Only CE courses certified or approved by TDI can be counted toward meeting the required number of CE hours. See www.sircon.com/texas for a list of current certified courses.

It is the licensee’s responsibility to review his or her CE transcript and maintain CE completion certificates given by the CE provider for at least four years after taking a CE course. There is no CE “grace period.” Once the license expiration date has passed, a violation exists if the required CE hours were not completed. CE cannot be made up or “rolled over” after the expiration date and there will be a $50 fine for each hour of CE not completed.

**Exemptions.** Exemptions and extensions from CE requirements are possible under very limited circumstances. Details are described in the Texas Administrative Code Sec. 19.1004 and online at www.tdi.texas.govlicensing/agent/agrule.html#1004.

---

**Address changes**

Licensees must notify TDI **within 30 days** of any change in the licensee’s mailing address. (See *Texas Insurance Code* §4001.252.) Failing to notify TDI of a mailing address change may result in disciplinary action.

The address change request must include both the current and the new mailing and business address. The business address must be a street address; box numbers are not allowed for business addresses. The address change form can be found in the agent section of [www.tdi.texas.gov](http://www.tdi.texas.gov). Fax your address change request to TDI at 512.490.1029.
The following outlines give an overview of the content of each of the Texas insurance examinations. Each examination will include questions on the subjects contained in the outline. The percentages indicate the relative weight assigned to each section of the examination.

For example, 10 percent means that 10 questions will be drawn on a 100-question exam and 15 will be drawn on a 150-question exam.

An outline that includes more descriptive subsections for your exam is available online at [www.prometric.com/texas](http://www.prometric.com/texas).

By filing this registration, you assume full responsibility for examination selection. If you are unsure of which examination is necessary for the license type you are seeking, resolve this question before you register. (See "Licenses that require TDI exams" on Page 3.) You may not transfer a registration fee to a different examination type.

---

*The combined Adjuster - All Lines exam qualifies you for the license, while the separate Adjuster - Property and Casualty and Adjuster - Workers Compensation exams are available if you wish to take the separate exams on different dates. You must pass either the combined exam or both of the separate exams in order to be eligible for the Adjuster - All Lines license.*
Texas Department of Insurance  
Individual Insurance License Application

This application is only for applicants who must take or have taken a Prometric examination and applicants for a temporary license. Other applicants must use the Texas Department of Insurance (TDI) application (available at the agent section of www.tdi.texas.gov).

Mail this completed application to: Oak Hill Technology, Inc., 5508 Hwy. 290 West, Suite 202, Austin, TX 78735. Do not send this application to TDI. OR, complete this application electronically at www.sircon.com/texas.

Questions: For assistance in completing this application, please call 866.267.0455, between 8 a.m. and 5 p.m. (Central time), Monday through Friday.

All applications are subject to further review. Any affirmative response to a screening question may extend processing times. Failure to disclose criminal history information may result in denial of license.

Part I. To Be Completed By All Applicants

Applicants must choose only one license type, which must match the examination the applicant has taken or will take. Adjusters should read Part II of this application before continuing.

Part VII. Background Information and Fingerprints

This part must be completed by all applicants except Public Insurance Adjuster applicants. Public Insurance Adjuster license applicants must complete Part III and skip this part.

21. I am a resident of Texas:

a. Yes, I have attached a copy of my fingerprint receipt from L1 Enrollment Services or Prometric evidencing that my fingerprints have been submitted to the Texas Department of Public Safety; OR

b. Yes, I have an active TDI license and I have already submitted fingerprints to TDI with another license application; OR

c. I am not a resident of Texas (answer question #22).

Resident applicants must include a fingerprint receipt unless the applicant (1) has an active TDI license; and (2) submitted fingerprints to TDI with another license application. Fingerprints will be used to check criminal history records of the Texas Department of Public Safety and the Federal Bureau of Investigation in accordance with applicable statutes.

22. I am a nonresident of Texas and have attached my criminal history records that I have acquired from my resident state’s law enforcement agency. No Yes

All nonresident license applicants who do not hold a current insurance license in good standing in the applicant’s state of residence shall, through the law enforcement agency of the state of residence, submit a copy of the applicant’s criminal history records. If the resident state will not provide a criminal history record for licensing purposes, the applicant must provide a fingerprint receipt from L1 or Prometric. See Page 7 of this Bulletin for complete fingerprinting instructions.

Part VIII. Individual Applicant Signature Page (to be completed by all applicants)

All Applicants must read, sign and have this section notarized before submitting the license application.

23. I have read the Texas Insurance Licensing Candidate Bulletin and I hereby certify that I have personally answered each of the questions herein and that the answers are true and correct to the best of my knowledge and belief. I further certify that I am aware of the provisions of the Texas Insurance Code and the rules and regulations promulgated by the Texas Department of Insurance which relate to the issuance of the license for which I am applying and the grounds under which such license may be denied, suspended, revoked or non-renewed, and that I meet the requirements for the license type applied for herein. I further acknowledge that I am subject to both disciplinary action and criminal prosecution if my application contains a false, fictitious, or fraudulent statement or entry with regard to any material fact.

I understand that fingerprints provided with this application shall be used to check criminal history records of the Texas Department of Public Safety and the Federal Bureau of Investigation in accordance with applicable statutes. I acknowledge and understand that I have the duty to inform the Commissioner of Insurance of any disciplinary action taken against me in any other state in which I may be licensed, within thirty (30) days of the happening of such disciplinary action.

I further acknowledge that I have the duty to update the information contained on this application, including a change of my address, and that failure to do so may constitute grounds for revocation or suspension of my insurance license(s).

I understand all applications are subject to further review. Any affirmative response to a screening question may extend processing times. Failure to disclose criminal history information may result in denial of license.
