Introduction

A Message from the Department

This Handbook provides information about the examination and licensing process for individuals who wish to become licensed by The Office of Superintendent of Insurance ("OSI"). In addition to the information in this Handbook, you should also review the information on eligibility to hold a license on the OSI website: <https://www.osi.state.nm.us/>

The Handbook **does not** provide instructions pertaining to licensing business entities. For information about licensing a business entity, visit the Producer Licensing Bureau website at <https://www.osi.state.nm.us/>, e-mail the Producer Licensing Bureau at agents.licensing@state.nm.us or call the Producer Licensing Bureau at 505-827-4349

At a Glance

This handbook provides information about the examination and licensing process for obtaining a resident insurance license. You should read this Licensing Handbook, including the examination content outlines, prior to taking an exam. If you are interested in applying for a nonresident license, you can apply online via NIPR at <http://www.nipr.com/>

Overview of Licensing Process

Follow these main steps if you are interested in obtaining an insurance license.

- 1 Read the information** on the Department's website for the type of license you desire to make sure you meet all of the requirements.
<https://www.osi.state.nm.us/>
- 2 Review this handbook** to determine which exam(s) you need to pass, if any, for the type(s) of license you require. Prepare for your exam, using this bulletin and materials from other sources. The content outlines at the back of this guide are the basis for the exams.
- 3 Register and schedule** your exam. The easiest way to schedule is online at <https://www.prometric.com/new-mexico/insurance> . At this time to schedule any ProProctor exams you must call 800.868.6113 between 8 a.m. and 9 p.m. Eastern time Monday through Friday.
- 4 Bring the required identification** to the test center and take the exam(s). You will receive your results immediately after the exam.
- 5 You must pass your exam then** apply for your license at <http://www.nipr.com/>
- 6 If you do NOT pass the exam**, repeat steps 2 through 4. **PLEASE NOTE:** OSI permits a maximum of 4 attempts to pass an exam. If you do not pass an exam after 4 attempts, you must wait six-months after failing the fourth attempt before you are eligible to take that exam again.

Note Passing an exam does not guarantee that you will receive a license. If you take an exam unnecessarily or are found unqualified, neither the exam fee nor the license application fee will be refunded.

The design of the exam ensures that those who possess the required knowledge of the specific insurance line of authority being tested should perform well on the examination for which they prepared.

Question Formats.

Three different multiple-choice formats are used. Each format is shown in the following examples. An asterisk (*) indicates the correct answer in each sample question.

New Mexico Office of the Superintendent of Insurance Application Review Process

It is your responsibility to ensure that you have completed the license application and other supporting documents fully, properly and accurately. If your application is incomplete, the Department will reject the application, delaying the licensing decision.

After receiving your application, the Department has up to 10 days to determine whether it contains all required information and is therefore “administratively complete. These timeframes are the outer limits by which the Department must grant or deny a license application. The Department processes most license applications within 10 days. The Department is usually able to process applications submitted electronically faster than applications submitted on paper.

After reviewing your application, the Department will either issue or deny the license. If the Department denies your application, the Department will send you a notice that describes the denial reason and your appeal rights.

The Department may deny a license for any cause listed in NMSA § 59A-11-14. If your application contains inaccurate or untruthful responses, or material omissions, the Department may deny the license and prevent you from being licensed in the future. If the Department issues a license and later discovers that the application was incomplete or contained erroneous, untruthful or materially incomplete information, the Department may fine you or revoke your license.

License Expiration

When the OSI issues a New Mexico insurance license to someone who does not already hold a license, the initial license term is between 13-24 months and will expire on the licensee birth month. Future renewals will be a full two-year term expiring on the last day of the licensee birth month.

Maintaining Your License

Insurance professionals are responsible for complying with OSI insurance laws and rules, including but not limited to timely reporting changes of address and timely renewing insurance licenses.

NIPR: National Insurance Producer Registry

You can use the NIPR's website, at <http://www.nipr.com/> to report changes of email, address and telephone information at no charge.

You can use **NIPR** (<http://www.nipr.com/>) to renew your license online,

More detailed information on license renewals can be found on the Department's website at: www.osi.state.nm.us
