The Oklahoma Insurance Department (OID) is responsible for enforcing the insurance-related laws of the state. We protect consumers by providing accurate, timely and informative insurance information. We promote a competitive marketplace and ensure solvency of the entities we regulate. We also regulate, license and educate insurance producers, adjusters, funeral home directors, bail bondsmen and real estate appraisers.

OID has partnered with Prometric to develop, evaluate, maintain and revise insurance-related examinations for individuals seeking to obtain various insurance licenses in Oklahoma.

Mission Statement

To protect and enhance the financial security of Oklahoma and Oklahomans.

Oklahoma Insurance Department Vision

Our authoritative, efficient and professional staff will be the best at delivering responsive and innovative services to the public.

This handbook provides information about the examination and licensing process for obtaining a resident insurance license. You should read this Licensing Handbook, including the examination content outlines prior to taking an exam.

Licensing Process

Follow these main steps if you are interested in obtaining an insurance license.

1. Read this handbook to learn about examination and licensing requirements.

2. **Bail Bond only** - Complete required 16 hours prelicensing education to become eligible to take the required examination. Applicants must present the two prelicensing certificates at the test site: BCE3 signed by the applicant and BCE4 signed by prelicensing provider. Oklahoma requires that all Bail Bond candidates undergo a national criminal history record check as defined by 74 O.S. § 150.9, which will be handled by the Oklahoma Insurance Department. Refer to the OID Bail Bond webpage [www oid ok gov/regulated entities/bail bonds](http://www oid ok gov/regulated entities/bail bonds) for instructions.

3. Schedule your exam. The easiest way to schedule is online at [www.prometric.com/Oklahoma/insurance](http://www.prometric.com/Oklahoma/insurance)

4. Review the examination content outlines which can be found at the end of this document. The content outlines in this guide are the basis for the exams.

5. Present two forms of non-expired ID (Primary ID must be an official, non-expired government-issued ID bearing both a signature and photo. Secondary ID must be imprinted with the candidate’s name and must bear the candidates signature) and any required pre- license certificates or documentation required for line of authority to the test center. Certificates are only required for Bail Bondsman Exams, in addition to signed BCE3 and BCE4.
6. Apply for your license. Oklahoma requires insurance professionals to hold an active license prior to working in the industry. Passing the exam(s) is the first step to becoming licensed. You may not work until you have submitted an online application and the license has been issued. Refer to Applying for Your License on page 17 of this publication or access the OID webpage www.licensing.oid.ok.gov or www.oid.ok.gov/regulated-entities/bail-bonds/ for instructions.

**Prelicensing Education Completion Certificate**

You **must** present a certificate of completion of the required prelicensing education to the test center in order to test, if required. Altered certificates will not be accepted. These unscored items will not be counted for or against you in the final examination score.

You will be helping us help future test takers by completing five (5) unscored items in your exam. We plan to use the unscored items on future exams based on your performance.

Licensing Steps

Approval of an application depends on the review and approval of all license application requirements. This section contains information about:

- Applying for your license.
- Application Questions.

Applying for Your License

Successful completion and passing the examination does not eliminate the requirement to APPLY for the license:

You must apply and be issued an Oklahoma insurance license in order to sell, solicit, or negotiate (or adjust) insurance in the state of Oklahoma. Oklahoma uses NIPR database system for processing license applications. You can call NIPR 816.783.8500 should you need assistance with the online application.

After you have passed your exam:
1. Wait 3 business days for your exam results to be transmitted to NIPR/SBS and the State.
2. Access OID webpage and submit your online application:
   - Submit your producer or adjuster application at www.licensing.oid.ok.gov and then click on the blue NEW APPLICATION button. Follow the online instructions.
   - Submit your Bail bond application at www.oid.ok.gov/regulated-entities/bail-bonds/ and follow the instructions provided under Licensee Online Tools in the red box.

We recommend that you bookmark our webpage so you can service your license after it has been issued.

READ ALL OF THE INSTRUCTIONS ON THE APPLICATION WEBPAGE. INCOMPLETE APPLICATIONS WILL CAUSE DELAYS AND MAY BE REJECTED BY THE OID WITHOUT A REFUND.

3. Submitting an application does not mean that a license was approved or issued. You will be notified (at the contact email address entered on the application) when the application is approved or if the OID needs additional information. Producers/adjusters allow adequate time processing. Bail Bond applicants should allow 60 days for processing.

4. Access our webpage (see item #2) and view the online tools available to you. You can check the status of your license, print your license, learn about CE requirements and view our CE course catalog. You alone are responsible for maintaining your license and keeping your information current with the OID. Utilize these tools to expedite service and perform basic maintenance. Call or email the OID Licensing Division only if your answer has not been addressed on our webpage.
5. Print your license. The OID is environmentally conscious and strives to maintain a paperless office. You will not receive a copy of your license from the OID, by mail. Please print a copy of your license using the tools available on our webpage.

6. Plan for the future. Everything needed to manage your new license is on the OID’s webpage. Licensees must meet their CE requirement prior to submitting a renewal application to the OID. Remember, individuals can only work as an insurance professional if their license is in ACTIVE status.
