

# Candidate Information Bulletin State of California

## CIVIL ENGINEERING SURVEYING EXAMINATION

PROMETRIC

The California Board for Professional Engineers, Land Surveyors, and Geologists (the Board) has contracted with Prometric LLC. to conduct this exam at Prometric test centers throughout North America. This bulletin explains the process of taking the Civil Engineering Surveying Examination at a Prometric test center. The steps below summarize the process.

The Civil Engineering Surveying Examination is offered on a quarterly basis. The available quarters for the 2021 exam administrations are as follows:

Exam Dates	
Quarter 1	January 1- March 31, 2021
Quarter 2	April 1 – June 30, 2021
Quarter 3	July 1 – September 30, 2021
Quarter 4	October 1 – December 31, 2021

### ***Candidate Information Bulletin***

**It is recommended that you printout this bulletin and bring a copy with you to the testing center.** It is important that you read and understand these instructions before the exam, as you will be required to sign a statement that certifies that you have read and will abide by these instructions. The steps below summarize the process.

#### ***To take an examination***

- 1 Submit your application, all required documentation and fees to the Board.
- 2 Once you are approved by the Board, you will receive an Authorization to Test (ATT) letter from the Board via email and/or US mail.
- 3 Schedule an appointment to take your exam—Page 2.

The easiest way to schedule is online at:

<https://www.prometric.com/test-takers/BPELSG>

Scheduling by phone is also available.

- 4 Present the required identification—Page 3.

#### ***To get answers not provided in this bulletin***

##### **For questions about exam scheduling:**

Prometric LLC.  
7941 Corporate Drive  
Nottingham, MD 21236  
Phone: 800.864.5316

<https://www.prometric.com/test-takers/BPELSG>

## Civil Engineering Surveying Examination

### For questions about applications and licensing:

California Board for Professional Engineers, Land Surveyors, and Geologists  
2535 Capitol Oaks Drive, Suite 300  
Sacramento, CA 95833-2944  
Phone: 916.263.2222  
Toll-Free Phone: 866.780.5370  
Fax: 916.263.2246  
[www.bpelsg.ca.gov](http://www.bpelsg.ca.gov)

---

### ***Scheduling an exam appointment***

After you submit your application and fees to the Board and are approved to take the Civil Engineering Surveying Examination, the Board will send you an Authorization to Test (ATT) letter. Once you receive your ATT letter, you **must** contact Prometric to schedule an appointment to take the exam. To take the exam you must schedule an exam appointment. You may schedule your exam online or by phone.

#### **Online scheduling**

Schedule your exam online at any time by accessing Prometric's Internet Registration Service at:

<https://www.prometric.com/test-takers/BPELSG>

#### **Scheduling by phone**

You may schedule your exam by calling 800.864.5316 between 5 a.m. and 6 p.m. (Pacific time), Monday through Friday. At the end of the call, you will be given a number confirming your appointment. Record and keep this confirmation number for your records.

#### **Test centers**

The exam will be administered by computer at Prometric test centers throughout North America. A list of test centers where you may take the exam, addresses, and driving directions is located at:

<https://www.prometric.com/test-takers/BPELSG>

---

### ***Special test considerations***

**ADA accommodation.** If you require testing accommodations under the Americans with Disabilities Act (ADA), **please call Prometric at 888.226.9406 to obtain an accommodation request form.** Reasonable testing accommodations are provided to allow examinees with documented disabilities recognized under the ADA an opportunity to demonstrate their skills and knowledge.

Submit professional documentation of your disability with your form to help us determine the necessary testing arrangements. Thirty days advance notice is required for all special testing arrangements. There is no additional charge for these accommodations.

**Note** You must request special accommodations for each exam quarter, even if none of the information has changed since the last request. **Do not** contact the Board to request special accommodations; you must contact Prometric.

**ESL note.** If English is your second language, please note that a language barrier is not considered a disability.

**Left-Handed Mouse Request.** In order to fulfill a left handed mouse request examinees need to contact the **Prometric Test Accommodations department**

## Civil Engineering Surveying Examination

by calling (800) 967-1139, option 2 . Representatives are available Monday-Friday from 5am-3pm (Pacific Time). Please note that a left handed mouse request is not associated with a disability.

---

### ***Rescheduling an appointment***

If you need to reschedule an examination for another date, time, or location, you must contact Prometric.

**Rescheduling fees** will apply as follows:

- **No fee** if you reschedule at least **30 calendar days** prior to your appointment date.
- **\$40 Prometric administration fee** if you reschedule **3 to 29 calendar days** before your appointment date.
- **Total Prometric fee** if you reschedule **less than three calendar days** before your appointment date.

**Note:** If you need to reschedule your examination appointment for another date within the same Quarter, please use the “reschedule” option. If you choose to “cancel” your appointment, you will need to get Board approval to refresh your eligibility and will need to pay the **total Prometric** administration fee at the time of scheduling.

**Note** Rescheduling an examination must be done online at [www.prometric.com/test-takers/BPELSG](http://www.prometric.com/test-takers/BPELSG) or by calling 1-800-864-5316. You cannot reschedule an examination by fax, e-mail or voicemail. Customer Service Representatives are available to take your call Monday through Friday, between 5 am and 6 pm (Pacific Time).

---

### ***Taking your exam***

Your exam will be administered by computer at a Prometric test center using Prometric’s user-friendly, Microsoft Windows®-based, computerized testing system. Before you start the exam, you will receive a personalized tutorial to the testing system. The tutorial is not included as part of the testing time.

#### **Arrival**

You should arrive at least **30 minutes** before your scheduled exam appointment in order to verify your identification and allow time for you to sign in. If you arrive late, you will not be admitted to the test center and will forfeit the application and examination fees.

#### **Identification required**

You **will not** be admitted without proper identification and it **must be current**. Identification will only be accepted if it meets **all** of the following criteria:

- Issued by a state or federal governmental agency including military IDs, other U.S. states and foreign countries
- Contains your photograph, visible signature and printed (typed) name
- Has not expired

## Civil Engineering Surveying Examination

**Important** Student or employee identification cards and government-issued IDs that do NOT contain a photo and visible signature will not be accepted. If you fail to provide appropriate identification at the time of the exam, you will not be admitted to the test center and will not be allowed to take the exam.

### Exam content

The area of practice is structured into four primary content areas. The Civil Engineering Surveying Examination Test Plan is located at: [www.bpelsg.ca.gov](http://www.bpelsg.ca.gov). The website also includes a reference list that may be useful to use while studying for the exam.

### Reference materials

You are permitted to bring as many reference materials into the testing room as one trip and one box (e.g. Bankers Box) will permit. Boxes larger than 10"H x 15"W x 24"D will not be permitted. All reference materials (i.e. including all forms of notes) must be bound and remain bound during the exam. Bound refers to material permanently bound by stitching or glue and materials fastened securely in its cover by fasteners, which penetrate all papers (i.e. ring binders, spiral binders, plastic snap binders, brads, or screw posts). Manually or hand stapled documents that **are not** securely fastened in their covers **are not** allowed. The size of workspace area at Prometric test centers is limited. The approximate desk dimensions are 48" in length and 24" in width. You may consider moving the keyboard behind the monitor to allow for a larger workspace.

Before you enter the exam room, the Test Center Administrator (TCA) will inspect all references. "Post-Its" will be permitted as book tabs only (must be attached prior to entering the test center). Items strictly prohibited in the exam area: hand stapled materials, blank writing tablets or tablets containing blank pages, unbound tablets, unbound notes, slide charts and/or wheel charts (hand-held cardboard or plastic calculating devices with rotating or sliding pieces).

In addition, examinees may bring in any two of the following four measuring devices: ruler, protractor, architect scale, or engineer scale.

### Calculator usage

You are limited to **two (2)** calculators in the exam testing area. The calculators that are allowed to be used for the Board's state-specific examinations includes any handheld calculator that does not meet the exceptions listed below.

The use of any calculating/computing device having a QWERTY keypad arrangement similar to a typewriter or a keyboard during the examination is strictly prohibited. The following devices are also prohibited, whether or not they have a QWERTY keypad function: Smartwatches (i.e. Apple watch and Fitbit or similar), palmtop, laptop, handheld or desktop computers, data collectors, personal data assistants (PDA), organizers and tablet devices. Calculators with other alphanumeric keypads are acceptable. Notwithstanding the above, the Board or its designees have the right to prohibit the use of any device that, in the opinion of the Board, may pose a threat to examination security.

It is your responsibility to determine if your calculator meets the above criteria. Board staff or Prometric will not confirm whether your calculator is acceptable prior to your examination.

## Civil Engineering Surveying Examination

Please know that you could be required to clear your calculator memory upon exiting the examination. However, you **will not** be required to clear your calculator memory before you take the examination.

### Scratch paper and Pencils

You will be provided **two (2)** scratch paper booklets to use during the exam. You **may not** bring your own scratch paper to the exam. The TCA will collect the scratch paper (used and unused) upon completion of the exam. Removing scratch paper from the test center is considered an act of misconduct.

Prometric's COVID-19 safety procedures currently prohibit Prometric from providing pencils for candidates to use on their scratch paper. Therefore, you may bring your own #2 wooden pencils to use during your exam until the safety procedures are no longer necessary. You may use up to two pencils at a time and store extra pencils in your locker for later use. Mechanical pencils will not be allowed.

### Exam format

You will have two and half-hours to complete the exam. The time remaining for your exam is displayed in the upper right-hand corner of the computer screen. Once the exam is started time cannot be stopped if you choose to leave the testing area.

Exhibits will be accessible through the computerized testing system, if required.

### Exam security

Failure to follow oral and written instructions and/or conduct that results in a violation of security or disrupts the administration of the exam could result in your removal from the test center, voiding of your exam results, and forfeiting your application and examination fees. (See Title 16, California Code of Regs. sec. 442). Conduct which jeopardizes the integrity of the exam is a misdemeanor and in violation of Section 123 of the Business and Professions Code and may result in the imposition of a fine up to \$10,000.

### Emergency closings

Severe weather or an emergency could require canceling the scheduled exam. If this occurs, Prometric will attempt to contact you by phone or e-mail; however, you may check for testing site closures online at: [www.prometric.com/sitestatus](http://www.prometric.com/sitestatus). If the site is closed, your exam will be rescheduled.

If a test center is open and you choose not to appear for your appointment, your fee will be forfeited. You must then reschedule your examination and pay another full examination fee.

## Test center regulations

---

**\* Due to the impact of COVID-19, your test center may be operating under social distancing policies. To view the up to date policies for North America, please visit the following link on [Prometric.com](http://Prometric.com).**

**Please see Prometric's Travel Advisory Notice before attending your appointment: <https://www.prometric.com/travel-advisory-notice>**

## Civil Engineering Surveying Examination

To ensure that all candidates are tested under similar conditions, the following regulations and procedures will be enforced at each test center. Failure to follow any of these security procedures may result in disqualification from taking an examination.

- 1** While in the test center, you will be continuously monitored by video. During your examination, you will also be monitored by physical walk-throughs and through an observation window. All testing sessions are video and audio recorded.
- 2** You must present valid (unexpired) and acceptable ID(s) in order to take your test. (See "Identification required" in the previous section).
- 3** You will be scanned with a metal detector wand prior to every entry into the test room. If you refuse, you cannot test.
- 4** You will be required to raise your pants legs above your ankles, empty and turn all pockets inside-out and raise shirt sleeves above your wrists prior to every entry into the test room.
- 5** If you are wearing eyeglasses, you will be required to remove them for visual inspection to ensure they don't contain a recording device. Large jewelry items must be stored in your locker due to concerns over concealed recording devices.
- 6** You must sign the test center roster each time you leave the test room. You must also sign back in and show your ID to the Test Center Administrator (TCA) in order to re-enter the test room.
- 7** You are **prohibited** from communicating, publishing, reproducing, or transmitting any part of your test, in any form or by any means, verbal or written, for any purpose.
- 8** You **must not** talk to other candidates or refer to their screens, testing materials, or written notes in the test room.
- 9** You are **allowed** to bring soft ear plugs or center-supplied tissues into the test room.
- 10** Light clothing items removed for comfort such as sweaters, suit jackets, scarves, etc., must be hung on the examinee's chair, not placed in laps or on the workstation desktop. Outerwear such as heavy coats, parkas, rain coats, etc., is not permitted in the test room.
- 11** You **must not** bring any personal/ unauthorized items into the testing room. Such items include but are not limited to outerwear, hats, food, drinks, purses, briefcases, notebooks, pagers, watches, cellular telephones, recording devices, and photographic equipment. Weapons are not allowed at any Prometric test center. You will be asked to empty and turn your pockets inside out prior to every entry into the test room to confirm that you have no prohibited items.
- 12** You **must** return all materials issued to you by the TCA at the end of your test.
- 13** You are not allowed to use any electronic device or phone during breaks.
- 14** If you have a medical condition that may require you to access food or medicine during your exam session, you must store those items separately from other items you place in the test center locker. You must inform the TCA **before** you retrieve the food or medicine, and the TCA will observe you obtaining the item from the locker. You are not allowed to access any item other than food or medicine needed for a medical reason.

## Civil Engineering Surveying Examination

- 15** You must conduct yourself in a civil manner at all times when on the premises of the test center. Exhibiting abusive behavior towards the TCA or any other staff member of the test center may result in examination disqualification and criminal prosecution.

Complete Test Center Regulations can be located at:

<https://www.prometric.com/en-us/for-test-takers/prepare-for-test-day/documents/TestCenterRegulations.pdf>

**Important** Failure to follow any of these security procedures may result in the disqualification of your exam. Prometric reserves the right to audio and videotape any exam session.

**If questions arise.** Test center administrators are not allowed to answer any questions pertaining to the exam content. Select the **best answer** of the choices provided. Try to answer every question. There is **no penalty** for an incorrect answer and every question has equal weight. If you are not sure of the correct answer but have some knowledge of the question and are able to eliminate one or more choices as wrong, your chance of getting the right answer is improved, and it will be to your advantage to answer such a question. Therefore, you should examine the answer choices given and select the answer that seems best even though it may not be completely satisfactory to you; if necessary, guess.

**Copyrighted questions.** All test questions are the property of the State of California and are protected by copyright. Federal law provides severe civil and criminal penalties for the unauthorized reproduction, distribution, or exhibition of copyrighted materials.

---

### Your exam results

Once the exam scoring is finalized, you will be emailed your exam results.

**Do not** contact the Board for your results. Results **will not** be given over the phone.

In order to receive your results, your email and address must be current (30) days prior to the release date. All address and email changes must be submitted directly to the Board using their online address change form on their website at: [www.bpelsg.ca.gov](http://www.bpelsg.ca.gov).

**Score interpretation.** The Board will set the passing score to correspond to a minimum level of knowledge deemed acceptable by those persons who will be practicing as a civil engineer.

**Pass.** If you pass, the score report will show a passing designation. It will not show a score. All score values above passing indicate that an examinee *is* qualified — not *how* qualified.

**Fail.** If you fail, you will receive a diagnostic report intended to help identify areas of strength and weakness for further study prior to you retaking the exam. If you fail the exam, you must retake it in its entirety. For additional information regarding the diagnostic report, visit the Board's website at: [www.bpelsg.ca.gov/applicants/diagnostic\\_reports.pdf](http://www.bpelsg.ca.gov/applicants/diagnostic_reports.pdf).

## Civil Engineering Surveying Examination

---

### ***Candidate Feedback***

At the conclusion of the exam, you will have the opportunity to complete a survey that will allow you to provide Prometric with feedback on the testing experience. While your comments are considered, you will not receive a response to your survey comments.

Review or appeals of an examinee's exam are not permitted in accordance with California Code of Regulations 443(b) and 444(d).
