

Candidate Information Bulletin State of California

TRAFFIC ENGINEER EXAMINATION

The California Board for Professional Engineers, Land Surveyors, and Geologists (the Board) Traffic Engineer Examination is offered once each year. The next exam administration is:

Exam Date
October 17-31, 2022

The Board has contracted with Prometric to conduct this exam at Prometric test centers throughout North America. This bulletin explains the process of taking the Traffic Engineer Examination at a Prometric test center. The steps below summarize the process.

Candidate Information Bulletin

It is recommended that you printout this bulletin and bring a copy with you to the testing center. It is important that you read and understand these instructions before the exam, as you will be required to sign a statement that certifies that you have read and will abide by these instructions.

To take an examination

- 1** Submit your application, all required documentation and fees to the Board.
- 2** Once you are approved by the Board, you will receive an Authorization to Test (ATT) from the Board or Prometric via email and/or US mail.
- 3** Schedule an appointment to take your exam—Page 2.
The easiest way to schedule is online at:
<https://prometric.com/test-takers/BPELSG>
Scheduling by phone is also available.
- 4** Present the required identification—Page 3.

For questions about exam scheduling:

Prometric
7941 Corporate Drive
Nottingham, MD 21236
Phone: 800.864.5316
<https://prometric.com/test-takers/BPELSG>

Traffic Engineer Examination

For questions about applications and licensing:

California Board for Professional Engineers, Land Surveyors, and Geologists
2535 Capitol Oaks Drive, Suite 300
Sacramento, CA 95833-2944
Phone: 916.999.3600
Toll-Free Phone: 866.780.5370
Fax: 916.263.2246
www.bpelsg.ca.gov

Scheduling an exam appointment

After you submit your application and fees to the Board and are approved to take the Traffic Engineer Examination, the Board or Prometric will send you an Authorization to Test (ATT). Once you receive your ATT, you **must** contact Prometric to schedule an appointment to take the exam. You may schedule your exam online or by phone.

Online scheduling

Schedule your exam online at any time by accessing Prometric's Internet Registration Service at:

<https://prometric.com/test-takers/BPELSG>

Scheduling by phone

You may schedule your exam by calling 800.864.5316 between 5 a.m. and 6 p.m. (Pacific time), Monday through Friday. At the end of the call, you will be given a number confirming your appointment. Record and keep this confirmation number for your records.

Test centers

The exam will be given by computer at Prometric test centers throughout North America. A list of test centers where you may take the exam, addresses, and driving directions is located at:

<https://prometric.com/test-takers/BPELSG>

Special test considerations

ADA accommodation. If you require testing accommodations under the Americans with Disabilities Act (ADA), **please call Prometric at 888.226.9406 to obtain an accommodation request form.** Reasonable testing accommodations are provided to allow examinees with documented disabilities recognized under the ADA an opportunity to demonstrate their skills and knowledge.

Submit professional documentation of your disability with your form to help us determine the necessary testing arrangements. Thirty days advance notice is required for all special testing arrangements. There is no additional charge for these accommodations.

Note You must request special accommodations for each exam administration cycle, even if none of the information has changed since the last request. **Do not** contact the Board to request special accommodations; you must contact Prometric.

ESL note. If English is your second language, please note that a language barrier is not considered a disability.

Left-Handed Mouse Request. In order to fulfill a left-handed mouse request, examinees need to contact the **Prometric Test Accommodations department by calling (800) 967-1139, option 2.** Representatives are available Monday-Friday from 8am-6pm EST. Please note that a left handed mouse request is not associated with a disability.

Rescheduling an Appointment

If you need to reschedule and examination for another time or location, you must contact Prometric.

Rescheduling fees will apply as follows:

- **No fee** if you reschedule at least **30 calendar days** prior to your appointment date.
- **\$50 fee** if you reschedule **3 to 29 calendar days** before your appointment date.
- **Another full examination fee** if you reschedule **less than three calendar days** before your appointment date.

Note Rescheduling an examination must be done online at <https://prometric.com/test-takers/BPELSG> or by calling 800.864.5316. You cannot reschedule an examination by fax, e-mail or voicemail. Customer Service Representatives are available to take your call Monday through Friday, between 5 a.m. to 6:00 p.m.

Emergency Closings

Severe weather or an emergency could require cancelling scheduled examinations. If this occurs, Prometric will attempt to contact you by phone or e-mail; however, you may check for testing site closures at www.prometric.com/sitestatus.

If the test center is closed, your examination will be rescheduled without a rescheduling fee. If a test center is open and you choose not to appear for your appointment, your fee will be forfeited. You must then reschedule your examination and pay another full examination fee.

Traffic Engineer Examination

Taking your exam

Your exam will be given by computer at a Prometric test center using Prometric's user-friendly, Microsoft Windows®-based, computerized testing system. Before you start the exam, you will receive a personalized tutorial to the testing system. The tutorial is not included as part of the testing time.

Arrival

You should arrive at least **30 minutes** before your scheduled exam appointment in order to verify your identification and allow time for you to sign in. If you arrive late, you will not be admitted to the test center and will forfeit the application and examination fees.

Identification required

You **will not** be admitted without proper identification and it **must be current**. Identification will only be accepted if it meets **all** of the following criteria:

- Issued by a state or federal governmental agency including military IDs, other U.S. states and foreign countries
- Contains your photograph, visible signature and printed (typed) name
- Has not expired

Important Student or employee identification cards and government-issued IDs that do NOT contain a photo and visible signature will not be accepted. If you fail to provide appropriate identification at the time of the exam, you will not be admitted to the test center and will not be allowed to take the exam.

Exam content

The area of practice is structured into four primary content areas. The Traffic Engineer Examination Test Plan is located at www.bpelsg.ca.gov. The website also includes a reference list that may be useful to use while studying for the exam.

Reference materials

You are permitted to bring as many reference materials into the testing room as one trip and one box (e.g., Bankers Box) will permit. Boxes larger than 10"H x 15"W x 24"D will not be permitted. All reference materials (i.e. including all forms of notes) must be bound and remain bound during the exam. Bound refers to material permanently bound by stitching or glue and materials fastened securely in its cover by fasteners, which penetrate all papers (i.e. ring binders, spiral binders, plastic snap binders, brads, or screw posts). Manually or hand stapled documents that **are not** securely fastened in their covers **are not** allowed. The size of workspace area at Prometric test centers is limited. The approximate desk dimensions are 48" in length and 24" in width.

Before you enter the exam room, the Test Center Administrator (TCA) will inspect all references. "Post-Its" will be permitted as book tabs only (must be attached prior to entering the test center). Items strictly prohibited in the exam area: hand stapled materials, blank writing tablets or tablets containing blank pages, unbound tablets, unbound notes, slide charts and/or wheel charts (hand-held cardboard or plastic calculating devices with rotating or sliding pieces).

In addition, examinees may bring in any two of the following four measuring devices: ruler, protractor, architect scale, or engineer scale.

Traffic Engineer Examination

Calculator usage

You are limited to **two (2)** calculators in the exam testing area. The calculators allowed to be used for the Board's state-specific examinations includes those allowed by NCEES together with any handheld calculator that does not meet the following listed exceptions.

The use of any calculating/computing device having a QWERTY keypad arrangement similar to a typewriter or a keyboard during the exam is strictly prohibited. The following devices are also prohibited, whether or not they have a QWERTY keypad function: palmtop, laptop, handheld or desktop computers, data collectors, personal data assistants (PDA), organizers and tablet devices. Calculators with other alphanumeric keypads are acceptable. Notwithstanding the above, the Board or its designees have the right to prohibit the use of any device that, in the opinion of the Board, may pose a threat to exam security.

It is your responsibility to determine if your calculator meets the above criteria. Board staff or Prometric will not confirm whether your calculator is acceptable prior to your exam.

Please know that you could be required to clear your calculator memory upon exiting the exam. However, you **will not** be required to clear your calculator memory before you take the exam.

Scratch paper and Pencils

You will be provided **two (2)** scratch paper booklets to use during the exam. You **may not** bring your own scratch paper to the exam. The TCA will collect the scratch paper (used and unused) upon completion of the exam. Removing scratch paper from the test center is considered an act of misconduct. Pencils will be provided.

Exam format

You will have eight hours to complete the exam. The time remaining for your exam is displayed in the upper right-hand corner of the computer screen. The exam will be divided into two parts. Once you exit the first part of the exam, you will not be able to return to those questions. After you complete the first part of the exam, your exam screen will show a message that you are allowed to take a 30-minute scheduled break before beginning the second part of the exam. It will be your choice as to whether or not you take any or the entire 30-minute break. You are encouraged to bring your own food and beverage for break. These items will need to be placed in a test center locker during your exam.

A hard copy of the Artwork Pamphlet **will not** be provided for this exam administration. Exhibits will be accessible through the computerized testing system, if required. Exhibits will be displayed in an exhibit pop-up window.

Exam security

Failure to follow oral and written instructions and/or conduct that results in a violation of security or disrupts the administration of the exam could result in your removal from the test center, voiding of your exam results, and forfeiting your application and examination fees. (See Title 16, California Code of Regs. sec. 442). Conduct which jeopardizes the integrity of the exam is a misdemeanor and in violation of Section 123 of the Business and Professions Code and may result in the imposition of a fine up to \$10,000.

Test center regulations

To ensure that all examinees are tested under equally favorable conditions, the following regulations and procedures will be observed at each test center.

- 1** While in the test center, you will be continuously monitored by video. During your examination, you will also be monitored by physical walk-throughs and through an observation window. All testing sessions are video and audio recorded.
- 2** You must present valid (unexpired) and acceptable ID(s) in order to take your test. (See "Identification required" in the previous section).
- 3** You will be scanned with a metal detector wand prior to every entry into the test room. If you refuse, you cannot test.
- 4** You will be required to raise your pant legs above your ankles, empty and turn all pockets inside-out and raise shirt sleeves above your wrists prior to every entry into test room.
- 5** If you are wearing eyeglasses, you will be required to remove them for visual inspection to ensure they do not contain a recording device. Large jewelry items must be stored in your locker due to concerns over concealed recording devices.
- 6** You must sign the test center roster each time you leave the test room. You must also sign back in and show your ID to the Test Center Administrator (TCA) in order to re-enter the test room.
- 7** You are **prohibited** from communicating, publishing, reproducing, or transmitting any part of your test, in any form or by any means, verbal or written, for any purpose.
- 8** You **must not** talk to other examinees or refer to their screens, testing materials, or written notes in the test room.
- 9** You are **allowed** to bring soft ear plugs or center-supplied tissues into the test room.
- 10** Light clothing items removed for comfort such as sweaters, suit jackets, scarves, etc., must be hung on the examinee's chair, not placed in laps or on the workstation desktop. Outerwear such as heavy coats, parkas, rain coats, etc., is not permitted in the test room. You are not allowed to use any electronic devices or phones during breaks.
- 11** You **must not** bring any personal/unauthorized items into the testing room. Such items include but are not limited to outerwear, hats, food, drinks, purses, briefcases, notebooks, pagers, watches, phones, recording devices, and photographic equipment. Weapons are not allowed at any Prometric test center. You will be asked to empty and turn your pockets inside out prior to every entry into the test room to confirm that you have no prohibited items.
- 12** You **must** return all materials issued to you by the TCA at the end of your test.
- 13** You are not allowed to use any electronic device or phone during breaks.
- 14** If you have a medical condition that may require you to access food or medicine during your exam session, you must store those items separately from other items you place in the test center locker. You must inform the TCA before you retrieve the food or medicine, and the TCA will observe you obtaining the item from the locker. You are not allowed to access any item other than food or medicine needed for a medical reason.

Traffic Engineer Examination

You must conduct yourself in a civil manner at all times when on the premises of the test center. Exhibiting abusive behavior towards the TCA or any other staff member of the test center may result in examination disqualification and criminal prosecution.

Complete Test Center Regulations can be located at:

www.prometric.com/en-us/for-test-takers/prepare-for-test-day/documents/TestCenterRegulations.pdf

Important Failure to follow any of these security procedures may result in the disqualification of your exam. Prometric reserves the right to audio and videotape any exam session.

If questions arise. Test center administrators are not allowed to answer any questions pertaining to the exam content. Select the **best answer** of the choices provided. Try to answer every question. There is **no penalty** for an incorrect answer and every question has equal weight. If you are not sure of the correct answer but have some knowledge of the question and are able to eliminate one or more choices as wrong, your chance of getting the right answer is improved, and it will be to your advantage to answer such a question. Therefore, you should examine the answer choices given and select the answer that seems best even though it may not be completely satisfactory to you; if necessary, guess.

Copyrighted questions. All test questions are the property of the State of California and are protected by copyright. Federal law provides severe civil and criminal penalties for the unauthorized reproduction, distribution, or exhibition of copyrighted materials.

At the end of your exam, you will receive a notice indicating that you have completed the Traffic Engineer Examination. The Board will post the release date of the exam results on their website at www.bpelsg.ca.gov. Once the exam scoring is finalized, you will be emailed your exam results.

Do not contact the Board for your results. Results **will not** be given over the phone.

Your exam results

In order to receive your results, your email and address must be current (30) days prior to the release date. All address changes must be submitted directly to the Board using their online address change form on their website at www.bpelsg.ca.gov.

Score interpretation. The Board will set the passing score to correspond to a minimum level of knowledge deemed acceptable by those persons who will be practicing as a traffic engineer.

Traffic Engineer Examination

Pass. If you pass, the score report will show a passing designation. It will not show a score. All score values above passing indicate that an examinee *is* qualified — not *how* qualified.

Fail. If you fail, you will receive a diagnostic report intended to help identify areas of strength and weakness for further study prior to you retaking the exam. If you fail the exam, you must retake it in its entirety. For additional information regarding the diagnostic report, visit the Board's website at:
www.bpelsg.ca.gov/applicants/diagnostic_reports.pdf.

Feedback

At the conclusion of the exam, you will have the opportunity to complete a survey that will allow you to provide Prometric with feedback on the testing experience. While your comments are considered, you will not receive a response to your survey comments.

Review or appeals of an examinee's exam are not permitted in accordance with California Code of Regulations 443(b) and 444(d).
